MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Administrative Authorities

REFERENCE : Memo dtd 10 Oct 67 for DD/S fr Ex. Dir.-Compt.,
same subj

1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 4.

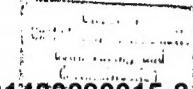

2. In referent memorandum, you asked for a review to be made of existing Agency authorities in the fields of travel expenses, allowances, and other fringe benefits provided to Agency employees to ensure that they are as favorable as those provided by existing laws enacted for other Government employees in similar circumstances and that I recommend to you what changes, if any, would be appropriate in the light of this principle. Subsequently, a committee, which I had constituted for this purpose, reviewed CIA authorities and the administrative authorities of other agencies and has recommended the adoption of a number of proposals currently authorized under the Foreign Service Act, as amended.

3. The first authority proposed for adoption by the Agency is the payment of travel and transportation expenses to employees retiring under the Central Intelligence Retirement Act regardless of his PCS point (U.S. or abroad) to a place he designates in the U.S., its territories or possessions. It is described in detail in Attachment A which has been taken from the committee report.

4. It is recommended that you approve the adoption of the administrative authority of the Foreign Service Act, as amended, pertaining to this proposal, with an effective date of 30 April 1968. Following your approval, this authority will be incorporated into Agency regulations.
